Each of the above named persons was shown to have been residing at the time of his death in the Recording District in which said paper is published, and notice of the Commissioner's proposed action was not therefore, published in any other paper.

In addition to this notice a letter was on May 1, 1906, addressed to each of the above named persons, or his heirs, at his last known postoffice advising the information received, the law with reference to the making of the roll of citizens of the Cherokee Nation, and that unless conclusive evidence was presented within thirty days from date to the effect that the decedent was living September 1, 1902, the Commissioner would recommend to the Secretary of the Interior the cancellation of the enrollment of said person as a citizen of the Cherokee Nation.

DEPARTMENT OF THE INTERIOR,
OFFICE OF INDIAN AFFAIRS,
WASHINGTON.

Land
12493-1907.

February 14, 1907.

The Honorable,

The Secretary of the Interior.

Sir:

On January 19, 1907, the Office transmitted the decision of the Commissioner to the Five Civilized Tribes, relative to applications for the enrollment of Frank Howard, et al, as citizens by intermarriage of the Cherokee Nation. The decision includes the applications of seventy-two persons found by the Commissioner to be not entitled to enrollment under the decision of the Supreme Court of the United States in the case of Daniel Red Bird, et al, against the United States.

It appears from the record in the case that the names of all the applicants are found on the authenticated 1880 roll of citizens of the Cherokee Nation, and the office in transmitting the record did not consider this phase of the case. On January 31 the department was requested to return the record in the case for further consideration by the Office. It was returned with Department letter of February 6, 1907, I.T.D. 1390.

With reference to the names of these applicants being on the 1880 roll Mr. Nixey says:

THE RECORDS FURTHER SHOW: That the names of said persons appear upon the Cherokee authenticated roll of 1880; that they possess no right to enrollment as citizens of the Cherokee Nation other than by intermarriage, and that no one of said persons claims to have been married to a citizen by blood of the Cherokee Nation prior to November 1, 1875.

as the applicants were not married to citizens by blood of the Cherokee Nation in accordance with the laws, usages and customs of the tribes prior to November 1, 1875, they are not entitled to enrollment, unless it be by virtue of their names being on the 1880 roll. By the provisions of section 21 of the Act of June 21, 1893 (30 Stat. L., 495), the roll of Cherokee citizens of 1880, not including freedmen, is confirmed, and the Commission is directed to enroll all persons whose names are found on that roll and descendants born since the date of the roll. It is then provided that other rolls shall be examined and that the names of all persons found on the other rolls not placed thereon by fraud or without authority of law shall be enrolled.

The only question in the case seems to be whether a confirmation of this roll by Congress entitles a person whose name appears on said roll to enrollment as a citizen of the Cherokee Nation who would not otherwise be entitled to such enrollment.

The Supreme Court in the case of *Hofire vs. the United States* (144 U.S., 657), said:

(Syllabus)

The fact that a marriage license has been issued carries with it a presumption that all statutory prerequisites thereto have been complied with, and one who claims to the contrary must affirmatively show the fact.

The evidence shows that the deceased sought, in his lifetime, to become a citizen of the Cherokee Nation, took all the steps he supposed necessary therefor, considered himself a citizen, and that the Cherokee Nation in his lifetime recognized him as a citizen and still asserts his citizenship. Held, that, under these circumstances, it must be adjudged that he was a citizen by adoption, and consequently that the jurisdiction over the offense charged is, by the laws of the United States and treaties with the Cherokee Nation, vested in the courts of that Nation.

In the case of Daniel Red Bird, et al, vs. the United States the Supreme Court said:

The roll of 1850, made by the Cherokees, was a census roll, and its confirmation was not intended to create any rights which citizens of the Cherokee Nation had not before enjoyed, but merely to furnish the basis for making up the roll of citizens. Section 21 was in reality a statement that no previous act of Congress was intended to confirm any other roll of the Cherokee Nation.

Section 31 of the Act of July 1, 1902, says that no person whose name does not appear on the roll made by the Commission to the Five Civilized Tribes "shall be entitled to in any manner participate in the distribution of the common property of the Cherokee tribe, and those whose names appear thereon shall participate in the manner set forth in this act." In other words, the roll must be made up of citizens who under the laws of the Cherokee Nation were entitled to participation in the distribution of the common property of the Cherokee tribe.

The concluding words of section 31, "with such intermarried white persons as may be entitled to citizenship under Cherokee laws," emphatically indicate that Congress had the Indian citizen in mind in all that text before and limited enrollment of white persons to such as might be entitled to citizenship under Cherokee laws.

From the foregoing quotations it is evident that the Supreme Court makes a distinction between citizens having political rights only and those having all rights including the right to share in the distribution of the land and other property of the Cherokee Nation. This being true it is evident that Congress did not intend that any person should be given the right to share in the property of the Cherokee Nation simply because his name was on some roll of that Nation that had been confirmed by Congressional action, unless it is there as a full citizen and not as a citizen with political rights only.

The Office is of the opinion that the persons whose names appear in the record enclosed are not entitled to enrollment as citizens by intermarriage of the Cherokee Nation, and the approval of the Commissioner's adverse decision is recommended.

Very respectfully,

C. F. Larrabee,

Acting Commissioner.

Commissioner to the Five Civilized Tribes,

Sir:

On February 14, 1907 (Land 12493), the Indian Office transmitted your report dated January 10, 1907, in the matter of the application for the enrollment of Frank Howard and seventy-two others as citizens by intermarriage of the Cherokee Nation, together with your decision, adverse to said applicants.

The Indian Office concurs in your recommendation. A copy of its letter is inclosed.

It appears that the names of said persons appear upon the Cherokee authenticated roll of 1880 and that they possess no right to enrollment as citizens of the Cherokee Nation other than by intermarriage, and that no one of said persons claims to have been married to a citizen by blood of the Cherokee Nation prior to November 1, 1875.

In view of the decision of the Supreme Court of the United States dated November 5, 1906, in the case of Daniel Red Bird et al. vs. the United States, it is considered that your deci-

The papers in the case and a carbon copy hereof have been sent to the Indian Office.

Q What was her name when he married her? A Her name was Griffin.
She was a widow; she had married Dick Griffin.
Q He - Dick Griffin - had died before she married this man, had he
not? A Yes sir.

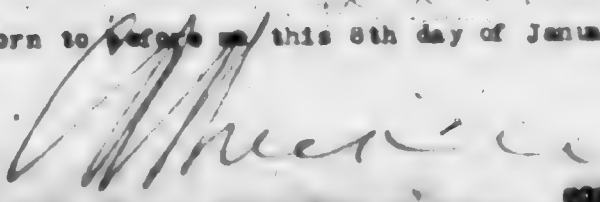

Applicant recalled:

- Q Has your wife lived with you ever since she married you?
A Yes sir.

Com'r. C. R. Breckinridge: The applicant applies for the enrollment of himself, wife and seven children. He is identified on the rolls of 1880 and 1896 as a native Cherokee. He has lived in the Cherokee Nation all his life, and he will be listed for enrollment as a Cherokee by blood. His wife is said to have married him in 1882, and it is shown that she married him after the death of her former husband, with whom she is identified on the roll of 1880. She is a white woman; she is identified with her present husband and with their children on the roll of 1896; she has lived with her husband ever since their marriage, and she will be listed now for enrollment as a Cherokee by blood. Of the seven children named in the testimony, the first four are identified on the roll of 1896; they are minors and will be listed for enrollment as Cherokees by blood. The variation in the name of the child, Kizzie, is satisfactorily explained in the testimony. When the Commission is supplied with proper certificates of birth of the three younger children, Johnnie Jr., China and Minervia, these children also will be listed for enrollment as Cherokees by blood.

The undersigned, being sworn, states that as stenographer to the Commission to the Five Civilized Tribes, he correctly recorded the testimony and proceedings in this case, and that the foregoing is a true and complete transcript of his stenographic notes thereof.

Subscribed and sworn to before me this 8th day of January, 1901.

DEPARTMENT OF THE INTERIOR,
OFFICE OF INDIAN AFFAIRS,
WASHINGTON.

Land.
12493-1907

February 14, 1907.

The Honorable,

The Secretary of the Interior.

Sir:

On January 19, 1907, the office transmitted the decision of the Commissioner to the Five Civilized Tribes relative to applications for the enrollment of Frank Howard, et al, as citizens by intermarriage of the Cherokee Nation. The decision includes the applications of seventy-two persons found by the Commissioner to be not entitled to enrollment under the decision of the Supreme Court of the United States in the case of Daniel Red Bird, et al, against the United States.

It appears from the record in the case that the names of all the applicants are found on the authenticated 1880 roll of citizens of the Cherokee Nation, and the Office in transmitting the record did not consider this phase of the case. On January 31, the Department was requested to return the record in the case for further consideration by the Office. It was returned with Department letter of February 6, 1907,

I.T.D. 1390.

With reference to the names of these applicants being on the 1880 roll Mr. Bixby says:

THE RECORDS FURTHER SHOW: That the names of said persons appear upon the Cherokee authenticated roll of 1880; that they possess no right to enrollment as citizens of the Cherokee Nation other than by intermarriage and that no one of said persons claims to have been married to a citizen by blood of the Cherokee Nation prior to November 1, 1875.

As the applicants were not married to citizens by blood of the Cherokee Nation in accordance with the laws, usages and customs of the tribes prior to November 1, 1875, they are not entitled to enrollment, unless it be by virtue of their names being on the 1880 roll. By the provisions of section 21 of the Act of June 28, 1898 (30 Stat.L., 495), the roll of Cherokee citizens of 1880, not including freedmen, is confirmed, and the Commission is directed to enroll all persons whose names were found on that roll and their descendants born since the date of the roll. It is then provided that other rolls shall be examined and that the names of all persons found on the other rolls not placed thereon by fraud or without authority of law shall be enrolled.

The only question in the case seems to be whether a confirmation of this roll by Congress entitles a person whose name appears on said roll to enrollment as a citizen of the Cherokee Nation who would not otherwise be entitled to such enrollment.

The Supreme Court in the case of *Mofire vs. the United States* (144 U.S., 457), said:

(Syllabus)

The fact that a marriage license has been issued carries with it a presumption that all statutory prerequisites thereto have been complied with, and one who claims to the contrary must affirmatively show the fact.

.....
The evidence shows that the deceased sought, in his lifetime, to become a citizen of the Cherokee Nation, took all the steps he supposed necessary therefor, considered himself a citizen, and that the Cherokee Nation in his lifetime recognized him as a citizen and still asserts his citizenship. Held, that, under those circumstances, it must be adjudged that he was a citizen by adoption, and consequently that the jurisdiction over the offence charged is, by the laws of the United States and treaties with the Cherokee Nation, vested in the courts of that Nation.

In the case of Daniel Red Bird, et al, vs. the

United States the Supreme Court said:

The roll of 1900, made by the Cherokees, was a census roll, and its confirmation was not intended to create any rights which citizens of the Cherokee Nation had not before enjoyed, but merely to furnish the basis for making up the roll of citizens. Section 21 was in reality a statement that no previous act of Congress was intended to confirm any other roll of the Cherokee Nation.

.....
Section 21 of the Act of July 1, 1902, says that no person whose name does not appear on the roll made by the Commission to the Five Civilized Tribes, "shall be entitled to in any manner participate in the distribution of the common property of the Cherokee tribe, and those whose names appear thereon shall participate in the manner set forth in this act." In other words, the roll must be made up of citizens who under the laws of the Cherokee Nation were entitled to participation in the distribution of the common property of the Cherokee tribes.

The concluding words of section 21, "with such intermarried white persons as may be entitled to citizenship under Cherokee laws," emphatically indicates that Congress had the Indian citizen in mind in all that went before and limited enrollment of white persons to such as might be entitled to citizenship under Cherokee laws.

-4-

From the foregoing quotations it is evident that the Supreme Court makes a distinction between citizens having political rights only and those having all rights, including the right to share in the distribution of the land and other property of the Cherokee Nation. This being true, it is evident that Congress did not intend that any person should be given the right to share in the property of the Cherokee Nation simply because his name was on some roll of that nation that has been confirmed by Congressional action unless it is there as a full citizen and not as a citizen with political rights only.

The Office is of the opinion that the persons whose names appear in the record enclosed are not entitled to enrollment as citizens by intermarriage of the Cherokee Nation, and the approval of the Commissioner's adverse decision is recommended.

Very respectfully,

C. A. Larrabee,

Acting Commissioner.

Commissioner to the Five Civilized Tribes,
Muskogee, Indian Territory.

Sir:

On February 14, 1907 (Land 12493), the Indian Office transmitted your report dated January 10, 1907, in the matter of the applications for the enrollment of Frank Howard and seventy-two others as citizens by intermarriage of the Cherokee Nation, together with your decision, adverse to said applicants.

The Indian Office concurs in your recommendation. A copy of its letter is inclosed.

It appears that the names of said persons appear upon the Cherokee authenticated roll of 1800 and that they possess no right to enrollment as citizens of the Cherokee Nation other than by intermarriage, and that no one of said persons claims to have been married to a citizen by blood of the Cherokee Nation prior to November 1, 1875.

In view of the decision of the Supreme Court of the United States dated November 5, 1896, in the case of Daniel Red Bird et al. vs. the United States, it is considered that your deci-

sion, adverse to these persons, is correct, and it is hereby affirmed.

The papers in the case and a carbon copy hereof have been sent to the Indian Office.

lished as set forth in the testimony. His stay in Kansas during his minority is not considered to impair his residence in the Cherokee Nation, and he will now be listed for enrollment as a Cherokee by blood.

(1896 Roll, Page 1238, #2896, Henry Stephens, Tahlquah D'st)

Com'r. C. R. Breckinridge: The applicant applies for the enrollment of himself, his wife and two children. He is identified on the rolls of 1880 and 1896, as a native Cherokee. He has lived in the Cherokee Nation all his life, and he will be listed for enrollment as a Cherokee by blood.

His wife is a white woman. She is shown to have married him in May, 1897. The license and certificate are filed herewith. She has lived with him ever since their marriage. Neither was previously married, but her marriage is too late under the Cherokee law of 1894 (December 18th, 1893), to entitle her to enrollment at this time. Therefore, the application for her enrollment is rejected.

When proper certificates of birth of the two children, Margaret S. and John H., are filed with the Commission, these children will be listed for enrollment as Cherokees by blood.

The undersigned, being sworn, states that as stenographer to the Commission to the Five Civilized Tribes, he correctly recorded the

The Department's instructions of June 1, 1908, (I.T.D. 2240-1908), and October 4, 1908 (I.T.D. 12228-1908), as to the proceedings to be taken with reference to these persons have been complied with. Notice under date of March 1, 1906, of the information received as to the date of the death of the above named persons was given by publication for four consecutive issues, the first issue being March 3, 1906, in "The Cherokee Advocate", a weekly newspaper of general circulation published at Tahlequah, Indian Territory. Attention was called to Section 31, of the Act of Congress approved July 1, 1902 (32 Stat., 716), and notice given to the heirs of the persons named, the administrators of their estates, or any other person having any interest in the estates of the decedents, that

the Commissioner would, at the expiration of sixty days from the date of the notice, recommend to the Secretary of the Interior the cancellation of the enrollment of said persons as citizens of the Cherokee Nation, unless conclusive evidence was presented to the effect that said persons were living on September 1, 1902. Each of the above named persons was shown to have been residing at the time of his death in the Recording District in which said paper is published, and notice of the Commissioner's proposed action was not, therefore, published in any other paper.

In addition to this notice a letter was on May 1, 1903, addressed to each of the above named persons, or his heirs, at his last known postoffice advising the information received, the law with reference to the making of the roll of citizens of the Cherokee Nation, and that unless conclusive evidence was presented within thirty days from date to the effect that the decedent was living September 1, 1902, the Commissioner would recommend to the Secretary of the Interior the cancellation of the enrollment of said person as a citizen of the Cherokee Nation.

No information having been received that any one of the above named persons was living September 1, 1902, it is respectfully recommended that their names be stricken from the

The Honorable ,
The Secretary of the Interior.

Sir:

I have the honor to transmit a report from the Commissioner to the Five Civilized Tribes, dated August 9, forwarding affidavits as to the deaths of certain persons whose names appear on a partial roll of citizens and freedmen of the Cherokee Nation. Commissioner Bixby reports that the Department's instructions as to the proceedings to be taken with reference to these persons have been complied with, and no information having been received that any one of the persons enumerated in his report was living on September 1, 1902, he recommends that their names be stricken from the approved partial rolls of citizens and freedmen of the Cherokee Nation in the possession of the Department and this Office and that he be authorized

(2)

to strike their names from the copies of the approved partial rolls in his possession, and that the application for their enrollment as citizens of the Cherokee Nation be dismissed.

The affidavits have been examined in this office, and are transmitted herewith the Office concurring in the Commissioner's recommendation.

Com'r. C. R. Brockinridge: The applicant presents a license, issued by the Clerk of Saline District, April 28th, 1896, authorizing marriage between herself and her husband. The certificate shows that they were united in marriage on the 3rd day of May of the same year by the Reverend A. B. Bogle. This is filed herewith.

Com'r. C. R. Brockinridge: The applicant applies for the enrollment of herself, her husband and three children: She is identified on the roll of 1896 as a native Cherokee; she is too young to be on the roll of 1880, but her father and mother are both identified on that roll; she has lived in the Cherokee Nation all her life; her change of name is established by the license and certificate filed herewith. She will now be listed for enrollment as a Cherokee by blood.

Her husband is shown to have married her in accordance with Cherokee law on May 3rd, 1896; he is a white man; neither he nor she were previously married; he appears in person in the course of the examination. He is identified with his wife on the roll of 1896; they have lived together ever since their marriage, but his marriage is too late under the Cherokee law of December 16th, 1895 to entitle

ELLA MAY BROWN ET AL.

him to enrollment as a citizen. Therefore, the application for his enrollment is rejected.

When proper certificates of birth are filed of the three children, Ida A., Lella F., and Ruth H. Brown, these children also will be listed for enrollment as Cherokee by blood.

The undersigned, being sworn, states that as stenographer to the Commission to the Five Civilized Tribes, he correctly recorded the testimony and proceedings in this case, and that the foregoing is a true and complete transcript of his stenographic notes thereof.

The applicant presents a license issued by the Clerk of the United States Court, Northern district, Indian Territory, dated Jan. 14, 1892, authorizing marriage between himself and his wife, and the certificate shows that in accordance with said license they were united in marriage four days thereafter by the district judge of Tahlequah district. This document has been duly admitted to record, and it is filed herewith.

Q Why didn't they put the regular seal on there? A That is merely a copy; the original was burned up. I sent back and got a copy.

It is now observed that this is stated to be a copy of the original, the certificate bearing the signature of Charles A. Davidson, Clerk of the Court, by P. M. Ford, Deputy Clerk. This is filed herewith.

- Q Were you ever married except to this wife? A No sir.
Q Was she ever married except to you? A No sir.
Q Has she lived with you ever since you and she were married?
A Yes sir.
Q Give me the names of your children. A James E.
Q How old is that child? A Seven years old.
Q Next child? A Charley.

Q The next child? A Thomas E.
Q How old is he? A He was born Jan. 14, 1900.
Q These children are all living now, are they? A Yes sir.

In the file of the case of John P. Willis, 2897, straight card, there is found to be an official copy of the records of the Cherokee Commission on Citizenship, showing that on the 23rd of March, 1888, among others admitted, there appears the name of Nathaniel D. Willis.

Q That is intended for you is it? A Yes sir.

Commissioner Brookbridge-

The applicant applies for the enrollment of himself, his wife, and four children. He is shown to have been admitted to citizenship by the Cherokee Commission on Citizenship. He states that he has lived in the Cherokee Nation ever since that time, or since a year thereafter, and he is identified on the roll of 1896 as a native Cherokee. He will now be listed for enrollment as a Cherokee by blood. His wife is shown to have married him Jan. 18, 1892. They have lived together ever since their marriage. Neither was previously married. She is identified with her husband on the roll of 1896, and with her children, and she will now be listed for enrollment as a Cherokee by adoption. The two elder children, James E. and Charley, are duly identified on the roll of 1896. They are living, and will be listed for enrollment as Cherokees by blood. When the Commission is supplied with proper certificates of the birth of the two younger children, Annie E. and Thomas E., these children also will be listed for enrollment as Cherokees by blood.

E. S. Rothberger, being duly sworn, states that as stenographer to the Commission to the Five Civilized Tribes, he reported in full the testimony and proceedings in the above case, and that the foregoing is a full, true and correct transcript of his stenographic notes in said case.

Q She has always lived in the Cherokee Nation. A Yes sir.

Com'r Needles: The name of Daniel Hubbard appears upon the census roll of 1896; he presents satisfactory proof of marriage to one Charlotte Scrapper a Cherokee citizen by blood, in the year 1894, and her name is found upon the authenticated roll of 1890 as Charlotte Sanders, she having afterwards married one Scrapper; now deceased; the name of his oldest child, William is found upon the census roll of 1896; he avers that he has two other children Nancy J. and Thomas whose names do not appear upon the census roll of 1896, having been born after the same was compiled; they all being duly identified according to page and number of the rolls as indicated in the testimony, having made satisfactory proof as to residence, said Daniel Hubbard will be duly listed for enrollment as a Cherokee citizen by intermarriage, and his wife Charlotte, and children enumerated therein as Cherokee citizens by blood; in order to complete the enrollment of his two youngest children Nancy J. and Thomas it will be necessary for him to file with the Commission satisfactory proof of their birth.

Commissioner Breckinridge-

The applicant applies for the enrollment of himself, his wife, and two children. He began an application for an orphan child, but that will be taken in a separate application. He is identified on the rolls of 1880 and 1886 as a native Cherokee. He has lived in the Cherokee Nation all his life, and he will be listed for enrollment as a Cherokee by blood. His wife is identified on the roll of 1886 as a native Cherokee. Her change of name arises from her marriage, which is established by satisfactory personal testimony.

5- D.E.S.

She should be on the roll of 1880, but it is shown that she was omitted from that roll through no fault of her own. Her mother is identified on the roll of 1880 as a native Cherokee, and the applicant's wife is fully shown to be the daughter of that woman. She has lived in the Cherokee Nation all her life, and she will now be listed for enrollment as a Cherokee by blood. Their elder child, Samuel M., is duly identified on the roll of 1880. This child is living, and will be listed for enrollment as a Cherokee by blood. When the Commission is supplied with a proper certificate of the birth of the younger child, Patsie M., this child will also be listed for enrollment as a Cherokee by blood.

H. G. Rothberger, being duly sworn, states that as stenographer to the Commission to the Five Civilized Tribes, he reported in full the testimony and proceedings in the above case, and that the foregoing is a full, true and correct transcript of his stenographic notes in said case.

Com'r. C. R. Breakeridge: The applicant applies for the enrollment of himself, his wife and two children. He is identified on the rolls of 1890 and 1896 as a native Cherokee. He has lived in the Cherokee Nation for twenty nine years, and he will now be listed for enrollment as a Cherokee by blood.

He states that he married his wife February 15th, 1890; she is a white woman; neither was previously married. They have lived together ever since their marriage. She is identified with him on the roll of 1896. He is not able to present at this time a certificate of his marriage, and it is desired that he present some additional proof. At this time, therefore, his wife will be listed for enrollment as a Cherokee by adoption upon a doubtful card.

The child, Bertha Cannon is only identified on the roll of 1896. In accordance with the testimony, this child is living, and will now

When a proper certificate of the birth of the younger child, Vira Cannon, is filed with the Commission, this child also will be listed for enrollment as a Cherokee by blood under the conditions previously stated.

The undersigned, being sworn, states that as stenographer to the Commission to the Five Civilized Tribes, he correctly recorded the testimony and proceedings in this case, and that the foregoing is a true and complete transcript of his stenographic notes thereof.

Dear Mr. Landman:

JOURNAL ENTRY.

Now, on this 15 day of December, 1930, comes petitioner and files his application in the above court for change of name. The said John Louis Hartsock appears in person and by Frank W. Taylor, his attorney.

And the court, after examining the petition and publication notice and the affidavit of publication, approves said service, and after hearing the evidence introduced, and being well and fully advised finds:

1. That John Louis Hartsock is now and has been a bona fide resident and citizen of Savonburg, Allen County, Kansas for the period of more than one year immediately preceding the filing of the petition herein.

2. That ever since the petitioner was twelve years of age he has been going by the name of Lewis John Heworth. That at that time his parents separated and that he was sent to an orphan's home in Kansas. That Mr. and Mrs. C. E. Heworth took him into their home to raise and at about that time said Mr. and Mrs. C. E. Heworth were moving to Savonburg, Allen County, Kansas and to save the petitioner embarrassment and because they did not like the name of John, they called him Lewis John Heworth and this petitioner has gone by that name ever since, and the petitioner is 1/32 Cherokee Indian and has real estate in the state of Oklahoma which came to him because of his Indian blood and that the title to this property is held in his proper name of John Louis Hartsock. That the petitioner is also seeking employment with the United States Government under the Civil Service Act, and to save himself any unnecessary embarrassment he wishes to have the name that he now uses become his legal name of record. He further alleges that this application is not made for the purpose of avoiding any obligations, and by reason of the foregoing facts there exists proper and reasonable cause for changing the name of the petitioner from John Louis Hartsock to that of Lewis John Heworth.

3. That said petitioner has given due and proper notice of his intention to make application for said change of name in the manner and for the period required by law and that due proof of said publication notice has been made.

It is therefore by the court considered, ordered, adjudged, and decreed that the name of petitioner herein John Louis Hartsock be and hereby is changed to that of Lewis John Heworth, and that the costs of this proceeding be and hereby are charged and assessed against the said petitioner.

DEPARTMENT OF THE INTERIOR
COMMISSIONER TO THE FIVE CIVILIZED TRIBES

In the matter of the application for the enrollment of Sarah Mayes as a citizen by intermarriage of the Cherokee Nation.

D E C I S I O N

THE RECORDS OF THIS OFFICE SHOW: That at Tahlequah, Indian Territory, December 15, 1900, application was received by the Commission to the Five Civilized Tribes for the enrollment of Sarah Mayes as a citizen by intermarriage of the Cherokee Nation. Further proceedings were had in the matter of said application at Muskogee, Indian Territory on February 11, 1907.

THE EVIDENCE IN THIS CASE SHOWS: That the applicant herein, Sarah Mayes, formerly Crittenden, nee McCabe, now the wife of Johnson Mayes, a recognized and enrolled citizen by blood of the Cherokee Nation, his name being found opposite No. 16276 on the approved partial roll of citizens by blood of the Cherokee Nation, is a white woman and claims her right to enrollment as a citizen by intermarriage of the Cherokee Nation, by reason of her marriage to one Jack Crittenden, who is identified on the Cherokee authenticated tribal roll of 1880, Going Snake District, Page 420, No. 412, as a native Cherokee. Said applicant is identified on the Cherokee authenticated tribal roll of 1880 and Cherokee Census Roll of 1896 as an intermarried citizen of the Cherokee Nation. The record herein however, fails to establish that the said Sarah Mayes and the said Jack Crittenden were married prior to November 1, 1875, but on the contrary the evidence herein shows that said marriage took place a short time subsequent thereto. Said applicant did not therefore, marry a citizen of the Cherokee Nation prior to November 1, 1875.

IT IS THEREFORE ORDERED AND ADJUDGED: That in accordance with the decision of the Supreme Court of the United States dated November 5, 1906, in the cases of Daniel Red Bird, et al., vs. the United States, Nos. 125, 126, 127 and 128, the said applicant Sarah Mayes, is not entitled under the provisions of section 21 of the Act of Congress approved June 28, 1898 (30 Stats., 495), to enrollment as a citizen by intermarriage of the Cherokee Nation and her application for enrollment as such is accordingly denied.

This is filed herewith.

Q When were you married? A In 1875.

Q You and your wife have lived together ever since you were married?
A Yes sir.

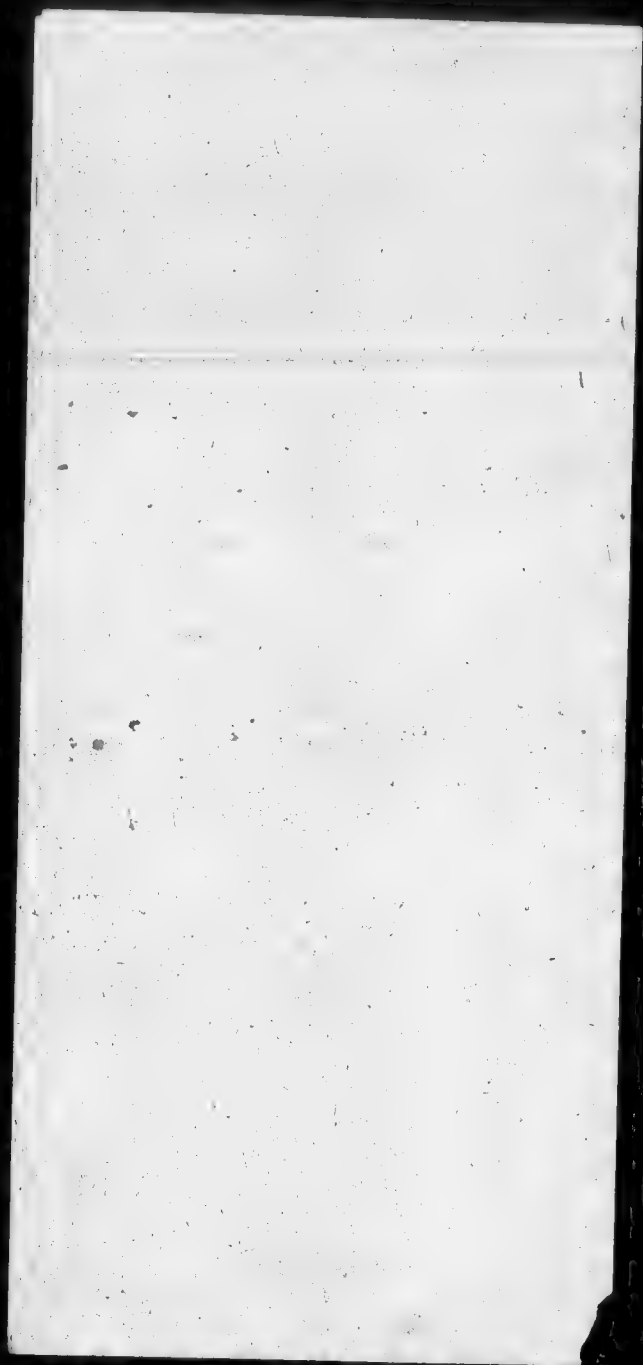

Commissioner Breckinridge-

The applicant applies for the enrollment of himself, his wife, and seven children. He is identified on the rolls of 1880 and 1896 as a Native Cherokee. He has lived in the Cherokee Nation all his life, and he will be listed for enrollment as a Cherokee by blood. His wife is identified with him on the roll of 1880 as his wife. He states that they have lived together ever since their marriage, and she is identified with reasonable certainty on the roll of 1896. Her status will be referred to further on in this decision. She is said to have lived in the Cherokee Nation all her life. Of the children of this marriage applied for at this time, and enumerated in the testimony, seven in number, the first six are duly identified on the roll of 1896 as native Cherokees. They are all living, are minors, and they will be listed now for enrollment as Cherokees by blood. When a certificate of birth of the youngest child, Susie E., is filed with the Commission, this child will also be listed for enrollment as a Cherokee by blood. The applicant's wife is identified on the roll of 1880 as an adopted colored. She is identified on the roll of 1896 as a native Cherokee. She is shown to have been placed on the roll of 1894, a Cherokee blood roll, and the red mark drawn through her name is said in connection with the note given in the testimony to be evidence of her having been rejected from that roll as a Cherokee by blood. This view is expressed by the Cherokee representative present in conference with the Commissioner. Her identification on the roll of 1896 is apart from that of her family, and her age is there given as 34, but no serious doubt is entertained about that being the enrollment of this woman, which may have been attended with some discussion at the time. There is filed herewith an official copy of an act of the Cherokee Commission placing the name of this applicant upon a list of persons found by the revising Committee of Tahlequah district to be entitled to Cherokee strip money, said act of the Cherokee Council being approved Nov. 27, 1894. For the further consideration of the applicant's wife, she will now be listed upon a doubtful card, being classed at present as a Cherokee by blood. The final decision will be made known to the applicant at his postoffice address.

E. G. Rothenberger, being duly sworn, states that as stenographer to the Commission to the Five Civilized Tribes, he reported in full the testimony and proceedings in the above case, and that the foregoing is a full, true and correct transcript of his stenographic notes in said case.

In the matter of the application for the enrollment of Julia Nave as a citizen by blood of the Cherokee Nation.

D E C I S I O N .

The record in this case shows that on December 15th 1900 Andy R. Nave appeared before the Commission at Tahlequah, Indian Territory, and made personal application for the enrollment, among others, of his wife, Julia Nave, as a citizen by blood of the Cherokee Nation. Further proceedings in the matter of said application were had at Muskogee, Indian Territory, on March 14th 1902. The other parties to this application are differently classified, and are not embraced in this decision.

The evidence shows that the applicant is identified on the 1880 authenticated roll of the Cherokee Nation as Julia Eagle (adopted colored), that being her name prior to marriage; that she is identified on the 1896 Census Roll of said Nation as a native Cherokee; and that in 1875 she was lawfully married to Andy R. Nave, a Cherokee by blood, who has resided in the Cherokee Nation all his life and who is identified on the said 1880 roll. That the applicant has resided in said Nation all her life, and has lived with her said husband continuously since their marriage; and that she was still residing in the said Nation at the date of this application.

The evidence further shows that the applicant drew money as a Native Cherokee under the Cherokee strip payment of 1894, as appears from a duly certified copy of the first section of an Act of the National Council of the Cherokee Nation, making appropriation for the benefit of the persons omitted in the payment of the strip funds, and found to be entitled by the Reversing Committee of Tahlequah District, which copy is on file with this Commission. It is further established by the evidence that the applicant is a Cherokee by blood and not colored.

It is therefore the opinion of this Commission that Julia Nave should be enrolled as a citizen by blood of the Cherokee Nation, in accordance with the provisions of Section 21 of the Act of Congress approved June 28th, 1898 (30 Stats.495), and it is so ordered.

Commissioner Needles—

Upon examination of the rolls of the Cherokee Nation it is found that the name of Looney Woodall does not appear upon the roll of 1898, probably having been born since said roll was compiled. Its mother is recognized as a Cherokee citizen by blood, and is enrolled on field Card No. 6809, as Eliza Chisholm. Proof ~~as~~ as to the parentage of the child being satisfactory, said Looney Woodall, child of Eliza Chisholm, will be duly listed for enrollment as a Cherokee citizen by blood, upon filing with this Commission satisfactory proof of its birth.

E. G. Rothenberger, being duly sworn, states that as stenographer to the Commission to the Five Civilized Tribes, he reported in full the testimony and proceedings in the above case, and that the foregoing is a full, true and correct transcript of his stenographic notes in said case.

The applicant applies for the enrollment of himself, wife and two children. His wife is identified on the rolls of 1880 and 1886 as a native Cherokee. He avers that she has lived in the Cherokee Nation all her life as far as he knows. Her change of name arising from her mar-

Fact is established by the testimony of the applicant and other personal testimony as well as by the roll of 1894, and she will be listed for enrollment as a Cherokee by blood. The two children, John A. and William G. are duly identified on the roll of 1894 with their parents, they are living at home now and they will be listed for enrollment as Cherokees by blood. The applicant states that he was married to his wife in accordance with Cherokee law in 1880 and that he has lived with her ever since. He is a white man, and he states that neither he nor his wife were ever previously married. It is averred that his marriage license and certificate were destroyed by fire and that the official records of the Clerk of Tahlequah district were also thus destroyed. He is identified with his wife on the roll of 1894. For the further consideration of the testimony and of his marriage under Cherokee law, he will be listed for enrollment as a Cherokee by inter-marriage, but on a doubtful card and the final decision of the Commission will be made known to him at his next office.

SUPPLEMENTAL-

Q What became of your marriage certificate and license, the copy that was given you by the clerk? A. I took them back to the clerk to have them recorded and they were burned up.

Q But the fire was some time after your marriage? A. Well I went to see the clerk two or three times to get them and he always told me that he had not had time to record them and so I left them there.

BY COMMISSIONER BRACKENRIDGE:

It might be well to have the Rev. Mr. Dobson who married you, come here and testify for you and also for you to go to the Executive Office and examine the reports of the Cherokee Nation and see if an official report of the Clerk of Tahlequah district for that time contains a mention of \$5.00 turned into the Cherokee Nation from your license. If it states that \$5.00 were turned into the Nation from the issuance of a license free to you it would be conclusive evidence of the fact that a Cherokee license had been issued to you.

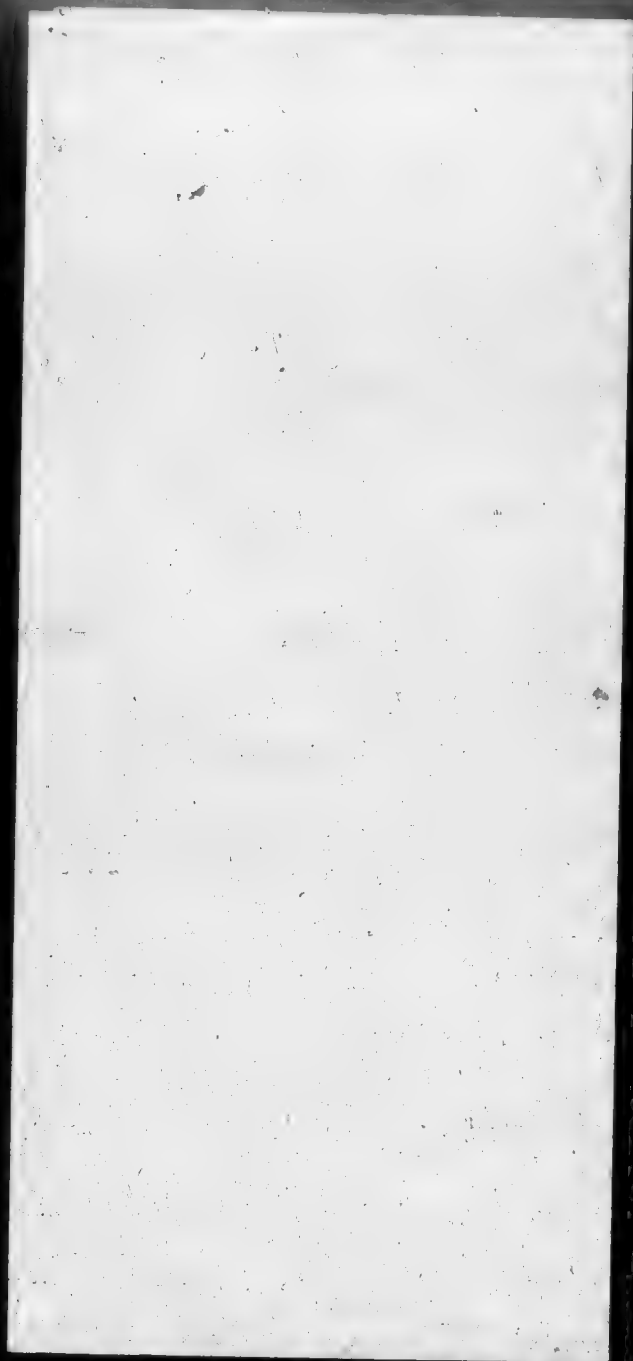

Chas. van Winkle being sworn states that as stenographer to the Commission to the Five Civilized tribes he reported in full all the proceedings in the above case and that the foregoing is a full, true and correct transcript of his stenographic notes therein.

Com'r Breckinridge:--The applicant applies for the enrollment of himself, his wife and seven children: He is identified on the rolls of 1880 and 1896 as a native Cherokee. He has lived in the Cherokee Nation all his life and he will be listed for enrollment as a Cherokee by blood. He is shown to have married his wife in 1891, but states that they began living together as husband and wife in 1885. It seems that neither was previously married. She has lived with him ever since their marriage; she is identified with him and their children on the roll of 1896, and she will now be listed for enrollment as a Cherokee by adoption. Of the seven children named in the testimony, the first six are duly identified on the roll of 1896. They are living at this time. Three of these children were born prior, as shown by the dates given to the certificate of marriage filed herewith, but after the period when the father and mother began living together as husband and wife. They are considered to be entitled to enrollment under Section 692 of the Compiled laws of the Cherokee Nation of 1892. All six of these children are identified on the roll of 1896 and they will now be listed for enrollment as Cherokees by blood. When the Commission is supplied with a proper certificate of the birth of the youngest child, James M., this child also will be listed for enrollment as a Cherokee by blood.

Dear Madam:

The Act of Congress, approved July 1, 1902, and entitled
"An Act To provide for the allotment of the lands of the
Cherokee Nation, for the disposition of town sites therein,
and for other purposes," Public No. 241, provides that "the
roll of citizens of the Cherokee Nation shall be made as of
September first, nineteen-hundred and two."

In accordance with said provision, you are hereby noti-
fied that the Commission to the Five Civilized Tribes will be
at its offices at Muskogee, Indian Territory, until Friday,

forfeited your right as a citizen by intermarriage of the
Cherokee Nation.

This evidence should be introduced immediately, as it is
necessary in determining your right to share in the allotment
of the lands of the Cherokee Nation, and until the same is
furnished no further action can be taken looking toward your
final enrollment as an intermarried citizen.

Yours truly,

Acting Chairman.

Q Has he lived in the Cherokee Nation all his life? A Yes, sir.

Com'r Breckinridge:--The applicant applies for the enrollment of himself, his wife and three children. He is identified on the roll of 1866 as a native Cherokee. He states that he has lived in the Cherokee Nation all his life. He is not identified on the roll of 1880, but his full sister is identified on that roll. His mother was dead before that roll was made, and it is shown by satisfactory personal testimony that the applicant is the full brother of that sister, that he has lived in the Cherokee Nation all his life, that he has always been a recognized citizen and that his mother was a native Cherokee woman, and it is believed that his omission from the roll of 1880 was through no fault of his own. He will now be listed

Richard Walls--3.

for enrollment as a Cherokee by blood.

He states that his wife is a native of the Cherokee Nation and she has lived here all her life and that she is a Cherokee by blood. She is identified on the roll of 1896 as a native Cherokee, but she is not identified on the roll of 1900. She is seen on the roll of 1896 to be the wife of the applicant and is there identified with her children. He states that neither was previously married. No doubt is entertained at this time of her being the applicant's wife and the date of their marriage, which is said to have taken place some ten years ago, is corroborated by the ages of their children on the roll of 1896, but for her further identification as a Cherokee by blood, she will now be listed on a DOUBTFUL CARD in that class, and for convenience her two children, Nancy and Samuel, who are identified with her on the roll of 1896 and are living, will also be listed upon the same card as Cherokees by blood, and when a proper certificate of the birth of their child, Lissie, is filed with the Commission, this child also will be listed as a Cherokee by blood upon the card with its mother.

A No sir, not that I know of. There is quite a number of Downings.

Q You say your son's wife was living with them in 1894 and drew strip money? A Yes sir; she was living with my son Bird.

Q Has this Peggie Downing been living in Tahlequah District since she married your son Bird? A Yes sir.

BY THE COMMISSION:

It is evident from this testimony that the Maggie (or Peggie) Cochran, nee Downing, therein referred to, is the wife of Willie Cochran, listed for enrollment on a straight card with her said husband, and not the applicant in Cherokee D-1493.

I, George R. Smith, being first duly sworn, state that, as stenographer to the Commission to the Five Civilized Tribes, I recorded the proceedings in the above entitled cause and that the same is a true and accurate transcript of my stenographic notes thereof.

DEPARTMENT OF THE INTERIOR
COMMISSION TO THE FIVE CIVILIZED TRIBES.

In the matter of the application for the enrollment of
Peggy Downing, as a citizen of the Cherokee Nation.

ORDER.

It appears from the records of the Commission that on
June 30, 1902, Emmet Starr appeared before this Commission, at
Muskogee, Indian Territory, and made application for the enrollment
of Peggy Downing, as a citizen of the Cherokee Nation; her name
being listed upon Card, Cherokee D-1493.

It also appears that on December 17, 1900, at Tahlequah,
Indian Territory, Maggie J. Cochran appeared before this Commission
and made application for the enrollment of herself, as a citizen of
the Cherokee Nation; her name being listed on Card, Cherokee -6836.
Since said date said Maggie J. Cochran has been placed upon the final
roll prepared by this Commission, of persons entitled to enrollment
as citizens by blood of the Cherokee Nation, and approved by the
Department on December 6, 1902, her name appearing as No. 16349.

The evidence in this case shows that Peggy Downing, for
whom application was made to this Commission, on June 30, 1902, is
identical with the Maggie J. Cochran, for whom application was made
on December 17, 1900.

It is therefore ordered that the application made for the
enrollment of Peggy Downing, as a citizen of the Cherokee Nation,
Cherokee D-1493, be cancelled, and the record in said case transfer-
red to Cherokee 6836.

Dear Sir:-

Application has been made for the enrollment, as a citizen of the Cherokee Nation, of one Peggy Downing, whose name appears on the Cherokee tribal roll of 1880 in Cooweescoowee District, and also on the 1894 strip payment roll in Cooweescoowee District.

It is stated that Peggy Downing intermarried with your family. Do you know whether she is living and can you give the Commission any information as to her present whereabouts.

As this matter is important, please give the matter your immediate attention.

Respectfully,

Commissioner in Charge

Dear Sir:

The Commission is in receipt of a letter of November 9, 1904, from K. S. Murchison, requesting that you be advised as to the status of the application for your enrollment as a citizen by blood of the Cherokee Nation.

You are accordingly advised that your name has been listed for enrollment upon Cherokee straight card number 6836. You are further advised that the Commission has not yet passed upon your rights to enrollment as a citizen by blood of said Nation, but the matter will probably be taken up in the near future, and if further testimony is required you will be duly notified.

You will not be permitted to appear at the Cherokee Land Office and select an allotment until your enrollment has been finally approved by the Secretary of the Interior.

Dear Mrs. Ballard:

Receipt is acknowledged of your letter of April 4, 1934, in which you ask how you are enrolled, stating your father's name was Dave Fynn or Finn, who died in your infancy, and state that your step-father was John Gladney.

The records show that you are enrolled as Cynthia E. Ballard, Cherokee 24778, 1/4 Indian blood, daughter of D. C. Fynn, a non-citizen, and Elvira Gladney, a Cherokee. Cherokee Census Card 6643 shows that your name appears as Ellen Gladney on the 1890 and 1900 Cherokee Rollings and that you were the wife of Archibald L. Ballard, Cherokee 6909, 1/4 Cherokee blood. However, he is enrolled as Archibald L. Ballard.

You will find enclosed herewith a letter from the Commission to the Five Civilized Tribes dated September 18, 1902, to you at Tahlequah, then Indian Territory, (and which was returned unclaimed) with which was enclosed your Marriage License and Certificate which had been requested by you, and which is enclosed.

it is Blackhaw.

Com'r Breckinridge: The applicant applies for the enrollment of herself and four children; she is a full-blood; she and her children are duly identified on the roll of 1896; the children are now living; they have lived in the Cherokee Nation all their lives; she cannot be identified on the roll of 1880 and she thinks that the variation in the name of her youngest child in 1896 was the fault of the census taker; no doubt is entertained as to their right to be enrolled; the applicant states that she has lived in the Cherokee Nation all her life and she and her four children will now be listed for enrollment as Cherokees by blood.

Evidence has been secured by this office showing that your brother, Joseph Robbins, whose name appears on the roll of Cherokee citizens by blood opposite No. 16389, died on November 10, 1901.

"That no allotment of land or other tribal property shall be made to any person, or to the heirs of any person, whose name is on said roll and who died prior to the first day of September, nineteen hundred and two. The right of such person to any interest in the lands or other tribal property shall be deemed to have become extinguished and to have passed to the tribe in general upon his death before said date, and any person or persons who may conceal the death of anyone on said roll as aforesaid for the purpose of profiting by said concealment, and who shall knowingly receive any portion of any land or other tribal property or of the proceeds so arising from any allotment prohibited by this section, shall be deemed guilty of a felony, and shall be proceeded against as may be provided in other cases of felony, and the penalty for this offense shall be confinement at hard labor for a period of not less than one year nor more than five years, and in addition thereto a forfeiture to the Cherokee Nation of the lands, other tribal property, and proceeds so obtained."

Madam:

Evidence has been secured by this office showing that your brother, Joseph Robbins, whose name appears on the roll of Cherokee citizens by blood opposite No. 16389, died on November 10, 1901.

The Act of Congress of July 1, 1902 (32 Stats., 716), contains the following provision:

"That no allotment of land or other tribal property shall be made to any person, or to the heirs of any person, whose name is on said roll and who died prior to the first day of September, nineteen hundred and two. The right of such person to any interest in the lands or other tribal property shall be deemed to have become extinguished and to have passed to the tribe in general upon his death before said date, and any person or persons who may conceal the death of anyone on said roll as aforesaid for the purpose of profiting by said concealment, and who shall knowingly receive any portion of any land or other tribal property or of the proceeds so arising from any allotment prohibited by this section, shall be deemed guilty of a felony, and shall be proceeded against as may be provided in other cases of felony, and the penalty for this offense shall be confinement at hard labor for a period of not less than one year nor more than five years, and in addition thereto a forfeiture to the Cherokee Nation of the lands, other tribal property, and proceeds so obtained."

Ida Daniels - 2.

You are, therefore, notified that on or before November 13, 1909, you may appear at this office, if you so desire, to show cause why recommendation should not be made to the Department of the Interior that the following notation be placed opposite the name of Joseph Robbins on the approved roll of Cherokee citizens:

"Died prior to September 1, 1902; not entitled to land or money."

Respectfully,

EM (LBA)
Register.

Commissioner.

(Registry receipt No. 20461 signed by Ida Daniels returned to this office.)

Muskogee, Oklahoma, November 19, 1909.

Subject:
Enrollment of Joseph
Robbins - Cherokee.

The Honorable,

The Secretary of the Interior.

Sir:

I have the honor to bring to the attention of the Department the case of Joseph Robbins, a citizen by blood of the Cherokee Nation whose name appears opposite No. 16369 on the approved roll of such citizens.

It appearing that no application to select an allotment in the Cherokee Nation for this citizen had been made, an investigation was begun to ascertain whether or not he was living, and if dead, the date of his death.

On July 8, 1909, Ross Daniels, brother-in-law of Joseph Robbins, testified that Joseph Robbino died in November, 1901, having been killed at Colbert, Indian Territory. He did not know the exact date of this death but he received notice concerning same about November 15.

On the same date Ida Daniels, sister, and Caroline Robbins, widow of Joseph Robbins, testified that this death occurred in 1901.

Secretary - 2.

On October 13, 1909, Johnson Robbins, brother, and Ida Daniels, sister of Joseph Robbins, were notified by registered mail of the information secured by this office relative to the date of the death of their brother and of the provisions of Section 31 of the act of Congress approved July 1, 1902 (32 Stats., 716), that no person whose name was on the roll of Cherokee citizens and who died prior to September 1, 1902, was entitled to an allotment of land or other tribal property, and advised that they might within a stipulated time appear at this office to show cause why recommendation should not be made to the Department that a notation be placed on the roll showing that the said Joseph Robbins was not entitled to participate in the distribution of the tribal property of the Cherokee Nation. The receipt of these notices is evidenced by the return of the registry receipts properly signed, but no response thereto has been received.

The record in this case showing conclusively that Joseph Robbins died prior to September 1, 1902, I have the honor to recommend that the following notation be placed upon all copies of the approved roll of Cherokee citizens opposite the name of Joseph Robbins, No. 16389:

"Died prior to September 1, 1902; not entitled to land or money."

Secretary - 3.

Copies of the record pertaining to the death of this
citizen are enclosed herewith.

Respectfully,

WHEM (LNA)

Commissioner.

FOR FILE

The Honorable

The Secretary of the Interior.

Sir:

There is transmitted herewith a letter of November 19, 1909, from the Commissioner to the Five Civilized Tribes, relative to the enrollment case of Joseph Robbins, whose name appears opposite No. 16389 on the final approved roll of citizens by blood of the Cherokee Nation.

It is provided, in Section 31 of the Act of Congress approved July 1, 1902 (32 Stat. L., 716), that no allotment of land or other tribal property shall be made to any person whose name is on said roll and who died prior to September 1, 1902.

It appears from the inclosed papers that Joseph Robbins died prior to that date.

The Office, therefore, recommends that on the final approved roll of citizens by blood of the Cherokee Nation in the possession of the Department there be placed opposite the name of Joseph Robbins at No. 16389 the notation:

"Died prior to September 1, 1902;
not entitled to land or money".

L-93914-2

and that this Office and the Commissioner to the Five Civilized Tribes be authorized to make a similar notation on the copies of the roll in their possession.

Very respectfully,

I went there and spoke of it, saying I had better get a license to marry according to the laws, or I was liable to be pulled, and that I had to get a Cherokee license before I could marry a Cherokee, but I could get no license. I went to the Clerk and told him, and he gave me a copy of it when the enrollment was here. I gave them a copy of the license and they have it yet.
- Q What was the Clerk's name that issued your license? A Baxter Choate.
- Q Then after you married according to Cherokee law you married according to United States law? A Yes sir.
- Q How long was it after you married according to Cherokee law that you married according to United States law? A It was not very long I think in the same month.
- Q Where did you procure your United States license? A Right here at Salequah.
- Q Were you remarried according to that license? A Yes sir.
- Q Who married you at that time? A Lemons, I don't know his given name. He was a Methodist preacher.

Q You were married according to which license, when this witness, who has testified, saw you married? A According to the Cherokee license. I was not married when I married according to the United States license at all.

Q Have you had the records of the Cherokee Office of the Cherokee Nation examined, to ascertain whether or not there is a record of your marriage according to Cherokee law? A Yes sir.

Q Could that record be found? A Can't be found. The books don't show that he issued but two licenses the two years that he served as Clerk.

Q The two years that he served as Clerk, the record only shows that he issued two marriage licenses? A Yes sir, that's all. Ben Peyton wrote out the petition for me to get the signers.

Q You got the required number of signers, A Yes sir.

Q How much did you pay for your marriage license? A Paid ten dollars.

Q That was the Clerk of what district that issued the marriage license? A Flint District.

Q Is he living? A I reckon so. I have not seen or heard of him for a long time. Could not say for certain.

Q Have you any further testimony you desire to introduce at this time? A Of course I can get more people that were present when I was married. They just told me to get someone that was present, and I can get them here. Of course I can give you the names of all the signers on the papers that I can think of, and you can write to them.

Q Did you name those signers when there before the Commission at Muskogee? A No sir.

Q You may name some of them now? A Lebe Holland was one of them. Taylor Peyton, I think, was another one, and Louis Dannenberg. And Taylor Peyton had two or three boys that signed it. I forget their given names. I have not been up there since that time for some time.

Q When you made application for your license, did you file with the Clerk a certificate ~~of the~~ from the County Clerk of the county in which you lived, as to your moral character? A I didn't when I got the license. He said he didn't require it in my case, as he had known me for a long time. He told me that I could get it and give it to him at any time, and I did so.

Q You got a certificate from the Clerk of what county?

A Gilmore County, Georgia.

This testimony will be filed with and made a part of the record in the matter of the application for the enrollment of John S. Hyatt as a citizen by intermarriage of the Cherokee Nation, Cherokee straight card field No. 6583.

Wp. Hutchinson, being first duly sworn, states that as stenographer to the Commission to the Five Civilized Tribes he correctly recorded the testimony and proceedings in this case, and that the foregoing is a true and complete transcript of the stenographic notes thereof.

DEPARTMENT OF THE INTERIOR,
COMMISSIONER TO THE FIVE CIVILIZED TRIBES.

In the matter of the application for the enrollment of
CLARINDA COCHRAN as a citizen by blood of the Cherokee Nation.

O R D E R

THE RECORDS OF THIS OFFICE SHOW: That at Tahlequah, Indian Territory, December 17, 1900, application was received by the Commission to the Five Civilized Tribes for the enrollment of Clarinda Cochran as a citizen by blood of the Cherokee Nation.

THE EVIDENCE IN THIS CASE SHOWS: That the said Clarinda Cochran is identified on the Cherokee authenticated tribal roll of 1880, and the Cherokee census roll of 1886.

Since the application was received by the Commission to the Five Civilized Tribes for the enrollment of Clarinda Cochran as a citizen by blood of the Cherokee Nation, the Commission and the Commissioner to the Five Civilized Tribes have diligently sought information that would enable them to determine whether or not said applicant was living September 1, 1902, and if so, whether or not she was entitled to Cherokee citizenship on that date. No information has been obtained tending to show the status of said Clarinda Cochran on September 1, 1902.

It is, therefore, ordered that the application for the enrollment of Clarinda Cochran as a citizen of the Cherokee Nation be, and the same is hereby dismissed without prejudice.

The Department's instructions of June 1, 1905, (I.T.D. 6240-1905), and October 4, 1905 (I.T.D. 12218-1905), as to the proceedings to be taken with reference to these persons have been complied with. Notice under date of March 1, 1906, of the information received as to the date of the death of the above named persons was given by publication for four consecutive issues, the first issue being March 3, 1906, in "The Cherokee Advocate", a weekly newspaper of general circulation published at Tahlequah, Indian Territory. Attention was called to Section 31, of the Act of Congress approved July 1, 1902 (32 Stat., 716), and notice given to the heirs of the persons named, the administrators of their estates, or any other person having any interest in the estates of the decedents, that

Each of the above named persons was shown to have been residing at the time of his death in the Recording District in which said paper is published, and notice of the Commissioner's proposed action was not, therefore, published in any other paper.

In addition to this notice a letter was on May 1, 1906, addressed to each of the above named persons, or his heirs, at his last known postoffice advising the information received, the law with reference to the making of the roll of citizens of the Cherokee Nation, and that unless conclusive evidence was presented within thirty days from date to the effect that the decedent was living September 1, 1902, the Commissioner would recommend to the Secretary of the Interior the cancellation of the enrollment of said person as a citizen of the Cherokee Nation.

No information having been received that any one of the above named persons was living September 1, 1902, it is respectfully recommended that their names be stricken from the

Commissioner Breckinridge-

The applicant applies for the enrollment of himself, his wife, and four children. He and his wife are identified on the rolls of 1880 and 1896 as native Cherokees. They have lived in the Cherokee Nation all their lives. The variations in name are satisfactorily explained in the testimony, and they will now be listed for enrollment as Cherokees by blood. The four children named in the testimony are shown to be the children of the applicant's wife. Their variations in name are satisfactorily explained. The first three of these children, John E., William P. Gourd and Bonnie L. Dobson are duly identified on the roll of 1896. They will now be listed for enrollment as Cherokees by blood; the latter child as a Dobson, and not as Gourd, as it is shown to be the lawful child of the applicant's wife when married to her husband, Dobson, she having been for a period divorced from Gourd, when she then married Dobson, but afterwards being divorced from Dobson, she remarried her former husband, Gourd, the applicant. When a proper certificate of birth of the youngest child, Lucinda R. Gourd, is filed with the Commission, this child also will be listed for enrollment as a Cherokee by blood.

Q Are these the three children of that marriage? A. Yes sir

The applicant applies for the enrollment of three children. She is a white woman and since the death of her Cherokee husband she has married a white man and she makes no application for herself. She has shown by satisfactory personal testimony and by her enrollment in 1896 to have been the wife of her deceased Cherokee husband as claimed by her; neither was previously married; she lived with that husband until he died during the past year and he is duly identified on the 1880 and 1896 rolls as a native Cherokee. She states that that husband lived in the Cherokee Nation for 27 years. Of these three children, the two oldest Oscar and Myrtle M. Johnson are duly identified on the roll of 1896, they are living and will be listed for enrollment, as Cherokees by blood. When a certificate as to the birth of the youngest of these children, Frank Johnson, is filed with the Commission, this child also will be listed for enrollment as a Cherokee by blood.

Chas. van Weise, being sworn states that as stenographer to the Commission to the Five Civilized Tribes he reported in full all the proceedings in the above cause and that the foregoing is a full, true and correct transcript of his stenographic notes therein.

Subscribed and sworn to before me this the 10th of January, 1901.

DEPARTMENT OF THE INTERIOR,
COMMISSIONER TO THE FIVE CIVILIZED TRIBES.

In the matter of the application for the enrollment of Maggie J. Wolfe as a citizen by intermarriage of the Cherokee Nation.

DECISION.

THE RECORDS OF THIS OFFICE SHOW: That December 18, 1900, application was received by the Commission to the Five Civilized Tribes for the enrollment of Maggie J. Wolfe as a citizen by intermarriage of the Cherokee Nation. Further proceedings in the matter of said application were had at Tahlequah, Indian Territory, October 9, 1902, and at Muskogee, Indian Territory, January 4, 1907.

THE EVIDENCE IN THIS CASE SHOWS: That the applicant herein, Maggie J. Wolfe, a white woman, was lawfully married July 8, 1874, to her husband, Thomas P. Wolfe, who was at the time of said marriage, a recognized citizen by blood of the Cherokee Nation, who is identified on the Cherokee authenticated tribal roll of 1880, Tahlequah District No. 2553, as a native Cherokee, and whose name is included in the approved partial roll of citizens by blood of the Cherokee Nation opposite No. 16472. It is further shown that, from the time of said marriage, the said Thomas P. Wolfe and Maggie J. Wolfe resided together as husband and wife and continuously lived in the Cherokee Nation up to and including September 1, 1902. The said applicant is identified on the Cherokee authenticated tribal roll of 1880, and the Cherokee Census Roll of 1896, as an intermarried citizen of the Cherokee Nation.

IT IS, THEREFORE, ORDERED AND ADJUDGED: That in accordance with the decision of the Supreme Court of the United States, dated November 3, 1906, in the cases of Daniel Red Bird et al., vs. the United States, Nos. 125, 126, 127 and 128, the said applicant, Maggie J. Wolfe, is entitled, under the provisions of Section twenty-one of the Act of Congress approved June 28, 1898 (30 Stats., 498), to enrollment as a citizen by intermarriage of the Cherokee Nation, and her application for enrollment as such is accordingly granted.

James L. ...
Commissioner.

COMMISSIONER TO THE FIVE CIVILIZED TRIBES.

Muskogee, Indian Territory, December 27, 1906.

Maggie J. Wolfe,

Tahlequah, Indian Territory.

Dear Madam:

November 6, 1906, the United States Supreme Court held that white persons who intermarried with Cherokee citizens according to Cherokee law prior to November 1, 1875, are entitled to enrollment and allotments of land as citizens of the Cherokee Nation.

You are advised that to properly determine your right to enrollment as a citizen by intermarriage of the Cherokee Nation, it will be necessary for you to appear before the Commissioner for the purpose of giving testimony as to the date of your marriage and whether or not your husband, by reason of your marriage to whom you claim the right to enrollment as a citizen by intermarriage of the Cherokee Nation, was a recognized Cherokee citizen at the time of your marriage to him.

You are therefore directed to appear before the Commissioner at Muskogee, Indian Territory, at 9 o'clock A. M., on Saturday, January 5, 1907, and give testimony as above indicated.

Respectfully,

W. O. Beall

UNITED STATES DISTRICT COURT
SOUTHERN DISTRICT OF NEW YORK
IN RE THE FIVE CIVIL RIGHTS CASES
FILED
JAN 10 1961

Department of the Interior,
Commission to the Five Civilized Tribes,
Tahlequah, I. T. December, 18th 1890.

In the matter of the application of William M. Talley for the enrollment of himself, wife and child as Cherokee citizens. He being duly sworn before Commissioner Breckinridge, testified as follows-

- Q What is your name? A. William M. Talley.
Q How old are you? A. 35.
Q What is your post office? A. Helvin.
Q What district do you live in? A. Tahlequah.
Q Who is it that you want to have enrolled? A. Myself, wife and child.
Q Are you a Cherokee by blood? A. No sir.
Q White man? A. Yes sir.
Q Is your wife a Cherokee by blood? A. Yes sir.
Q Let me see your marriage license and certificate.

The applicant presents a license issued by the Clerk of Tahlequah district, and a certificate in accordance therewith, showing that on the 33d day of August, 1897 he was married to Miss Eliza Taylor, the ceremony being performed by the Rev. Nicholas Bitting. This is filed herewith.

- Q Were you ever married except to this wife? A. No sir.
Q Was she ever married except to you? A. No sir.
Q Have you lived in the Cherokee Nation ever since you were married?
A. Yes sir.
Q How old is your wife? A. 34.
Q Has she lived in the Cherokee Nation all her life? A. Yes sir.
Q Give me the name of her father? A. Will Taylor.
Q Is he dead? A. Yes sir.
Q Give me the name of her mother? A. Kate.
Q Is she dead? A. No sir.
Q Give me the name of your child? A. Johnnie.
Q Have you a certificate of birth made out for him? A. Yes sir.
Q Let me see it. (Applicant presents certificate)
Q It is two years old on the 6th of last June according to this? A. Yes sir.
Q Why is your wife not on the roll of 1890? A. I don't know.

1890 roll, page 318 No 2464, William Taylor, Tahlequah district.
1890 318 2465 Katy Taylor

- Q Did your wife have any brothers and sisters? A. Yes sir.
Q Who? A. Joe and Tom and Phoenie.
Q Any of them older than she? A. Joe.
Q Is Joe dead? A. No sir.

1898 roll, page 1257 No 2465 Eliza Taylor, Tahlequah district.

KATY TAYLOR, called and sworn as a witness, testified as follows-

- Q What is your name? A. Katy Taylor.
Q What is your post office? A. Eureka.
Q How long have you lived in the Cherokee Nation? A. Ever since I can remember.
Q Are you the wife of William Taylor? A. Yes sir.
Q When did you marry William Taylor? A. In 1878.
Q Was he a white man? A. Yes sir.
Q How long has he been dead? A. Four years.
Q Did you live with him until he died? A. Yes sir.

William H. Taylor

Q How many children did you have living in 1880? A. Three, Joseph, Ann Eliza and Tripheona.

Q Were these children all living with you in 1880? A. Yes sir.

Q How does it come that we don't find them on the 1880 roll? A. I don't know.

Q These are your own ~~children~~ children born of the marriage between you and your husband William Taylor? A. Yes sir.

Q And this daughter Eliza, as she lived in the Cherokee Nation all her life? A. Yes sir.

Q Born and raised here? A. Yes sir.

The applicant applied for the enrollment of himself, wife and one child. His wife is identified on the roll of 1896 as a native Cherokee, she has lived in the Cherokee Nation all her life and she ought to be on the roll of 1880, but her name is not found thereon; the names of her mother and father are found thereon as husband and wife, the mother being a native Cherokee. It is established by the testimony of the mother that she and her husband had three children born of their marriage, which dated back to 1873, at the time the 1880 roll was made; none of these three children are on that roll, and it is believed that their omission can only have arisen through neglect. The change of name of the applicant's wife is established by license and certificate of marriage filed herewith and she will be listed for enrollment as a Cherokee by blood. The child Johnnie is said to be two years of age last June; the applicant and his wife were married on the 3rd of August, 1897. When a proper certificate of the birth of this child is filed with the Commission he will be listed or enrollment as a Cherokee by blood. The applicant is shown to have married his wife under a Cherokee license as just stated, and the license and certificate are filed herewith. He is a white man, neither he nor his wife were previously married and they have been living together ever since their marriage, but his marriage to his Cherokee wife is too late under the Cherokee law of December 16th 1895 to entitle him to enrollment as a citizen of the Cherokee Nation, and therefore the application for his own enrollment is rejected.

Chas. von Weise, being sworn states that as stenographer to the Commission to the Five Civilized Tribes he reported in full all the proceedings in the above cause and that the foregoing is a full, true and correct transcript of his stenographic notes thereon.

SUBJECT:
Enrollment of Charles
Sunday, a Cherokee.

The Honorable,

The Secretary of the Interior.

Sir:

I have the honor to bring to the attention of the Department the case of Charles Sunday, a citizen by blood of the Cherokee Nation, enrolled opposite No. 16505. No communication having been received from Charles Sunday since the time of his enrollment an investigation was begun to determine whether or not he was living, and if not, the date of his death, and on July 9, 1909, Charles D. Guinn, Deputy Clerk of the District Court of Cherokee County Oklahoma, testified relative to this matter and stated that the records in his possession showed that one William Judge was tried in the United States Court for the Northern District of Indian Territory, and that on April 20, 1902, he was sentenced to the Penitentiary for life for the crime of murder. On the same date William H. Walker testified that he was acquainted with Charles Sunday and that Charles Sunday was killed by William Judge who was sentenced to the penitentiary for that crime. On July 10, 1909, G. V. Benge

testified that he defended William Judge at the time of his trial and the crime of which he was charged was the murder of Charles Sunday and that to the best of his recollection this crime was committed during the spring or summer of 1901.

On January 29, 1910, Silas Sunday, a brother of Charles Sunday, deceased, was notified by registered mail of the information secured by this office as to the date of the death of his brother, and of the provisions of Section 11 of the Act of Congress approved July 1, 1902, (32 Stats., 716) that no person whose name was on the final roll of Cherokee citizens and who died prior to September 1, 1902, was entitled to an allotment of land or other tribal property, and that he might within a stipulated time appear at this office and show cause why recommendation should not be made to the Department that a notation be placed on the roll showing that the said Charles Sunday was not entitled to participate in a division of the tribal property of the Cherokee Nation.

This notice was received as is evidenced by the return of the registry receipt properly signed but no appearance has been made.

The record in this case appears clearly to establish that Charles Sunday died prior to September 1, 1902, and I therefore

No. 3.

recommend that the following notation be placed upon all copies of the approved rolls of citizens of the Cherokee Nation, opposite the name of Charles Sunday, No. 16806: "Died prior to September 1, 1902, not entitled to land or money."

Copies of the record pertaining to the death of this citizen are enclosed herewith.

Respectfully,

Through the Commissioner
of Indian Affairs.

The Honorable,

The Secretary of the Interior.

Sir:

I have the honor to transmit herewith a report of March 4, 1910, from the Acting Commissioner to the Five Civilized Tribes, relative to the death of Charles Sunday, whose name appears opposite No. 16505 on the final approved rolls of citizens by blood of the Cherokee Nation.

It is shown by the enclosed papers that the above named person died prior to September 1, 1902. Section 31 of the Act of Congress approved July 1, 1902 (32 Stat. L. 716) provides that no allotment of land or other tribal property shall be made to any person, or to the heirs of any person, whose name is on the Cherokee roll, and who died prior to September 1, 1902. It is recommended, therefore, that opposite the name of Charles Sunday upon the final approved roll of citizens by blood of the Cherokee Nation, there be placed the notation-

"Died prior to September 1, 1902; not entitled
to land or money."

and that this Office and the Commissioner to the Five Civilized

of the roll in their possession.

Com'r Breckinridge:--The applicant applies for the enrollment of himself, his wife and four children, one of the children being his own and three of them being children of his wife's born before his marriage to her. The applicant is identified on the rolls of 1880 and 1896 as a native Cherokee. He has lived in the Cherokee Nation all his life, and he will be listed for enrollment as a Cherokee by blood. His wife is identified on the roll of 1896 as a native Cherokee. She is said to have lived in the Cherokee Nation all her life, to be a full blood, but she cannot be identified on the roll of 1880. She is shown to have borne a variety of names and hence doubtless the difficulty of her identification. No doubt, however, is entertained of her right to enrollment and she will now be listed for enrollment as a Cherokee by blood. The applicant's three ~~step~~ step-children are of two names, the first two are Jack and Katy Crawford. These two children are duly identified on the roll of 1896. Their father as well as their mother are said to have been full bloods. They are living and will be listed for enrollment as Cherokees by blood. The next step-child, Nancy Perlone, is identified on the roll of 1896. Is shown to be the child of the applicant's full blood wife, and this child will now be listed for enrollment as a Cherokee by blood. When a certificate of the birth of the child of the present marriage, Walter Vann, is filed with the Commission, this child also will be listed for enrollment as a Cherokee by blood.

Acknowledging receipt of your letter and the petition on January 17, 1908, this office advised you that no person by the name of Jack Crawford, whose father is Jim Crawford, appears upon the roll of Cherokee citizens, and you were requested to furnish information from which to identify the Jack Crawford in question.

Subject:
Change of quantum of
Indian blood of Jack
Crawford, Cherokee
Roll No. 16514.

The Honorable,

The Secretary of the Interior.

Sir:

There is inclosed a petition of Jack Crawford, filed January 13, 1908, by his attorney, C. E. Castle, of Wagoner, Oklahoma, that the quantum of Indian blood possessed by him as he appears upon the approved roll of Cherokee citizens opposite No. 16514, be changed from a full blood to a mixed blood. For reasons that are obvious, it is recommended that the petition be denied.

Application was made for the enrollment of Jack Crawford at Tahlequah, Indian Territory, December 18, 1900, by his step-father, George Vann, who swore that his wife, Sallie Vann, mother of Jack Crawford, is a full blood, and also that the father of Jack Crawford was a full blood. Jim Raper, who testified for George Vann in connection with the changes in

name of Sallie Vann, also testified that she was a full blood. In the testimony of George Vann given immediately after his application for enrollment in his examination under oath by the card clerk, whose duty it was to ascertain and record the quantum of Indian blood of each applicant, he corroborated his first testimony that Jack Crawford was a full blood.

The Act of April 26, 1906, provides, in part, as follows:

"And for all purposes the quantum of Indian blood possessed by any member of said tribes shall be determined by the rolls of citizens of said tribes approved by the Secretary of the Interior."

He avers that he the marriage to his second wife Ida, he has two children, Beatrice and John W., whose names are not on said roll, having been born since same was compiled. The applicant also applies for the enrollment of his wife Ida. He avers that he was married to her in 1887, which is too late under the laws of the Cherokee Nation to entitle her to enrollment as an inter-married citizen, consequently the application for the enrollment of his wife Ida will be rejected.

DEPARTMENT OF THE INTERIOR,
OFFICE OF INDIAN AFFAIRS,
WASHINGTON

Land
12493-1907.

February 14, 1907.

The Honorable,

The Secretary of the Interior.

Sir:

On January 19, 1907, the Office transmitted the decision of the Commissioner to the Five Civilized Tribes relative to applications for the enrollment of Frank Howard, et al, as citizens by intermarriage of the Cherokee Nation. The decision includes the applications of seventy-two persons found by the Commissioner to be not entitled to enrollment under the decision of the Supreme Court of the United States in the case of Daniel Red Bird, et al, against the United States.

It appears from the record in the case that the names of all the applicants are found on the authenticated 1880 roll of citizens of the Cherokee Nation, and the Office in transmitting the record did not consider this phase of the case. On January 21 the Department was requested to return the record in the case for further consideration by the Office. It was returned with Department letter of February 6, 1907,

L.T.N.1290.

With reference to the names of these applicants being on the 1880 roll Mr. Dixby says:

THE RECORDS FURTHER SHOW: That the names of said persons appear upon the Cherokee authenticated roll of 1880; that they possess no right to enrollment as citizens of the Cherokee Nation other than by intermarriage and that no one of said persons claims to have been married to a citizen by blood of the Cherokee Nation prior to November 1, 1875.

As the applicants were not married to citizens by blood of the Cherokee Nation in accordance with the laws, usages and customs of the tribes prior to November 1, 1875, they are not entitled to enrollment, unless it be by virtue of their names being on the 1880 roll. By the provisions of section 21 of the Act of June 28, 1898 (30 Stat.L., 495), the roll of Cherokee citizens of 1880, not including freedmen, is confirmed, and the Commission is directed to enroll all persons whose names were found on that roll and their descendants born since the date of the roll. It is then provided that other rolls shall be examined and that the names of all persons found on the other rolls not placed thereon by fraud or without authority of law shall be enrolled.

The only question in the case seems to be whether a confirmation of this roll by Congress entitles a person whose name appears on said roll to enrollment as a citizen of the Cherokee Nation who would not otherwise be entitled to such enrollment.

The Supreme Court in the case of *Wofire vs. the United States* (104 U.S., 437), said:

(Syllabus)

The fact that a marriage license has been issued carries with it a presumption that all statutory prerequisites thereto have been complied with, and one who claims to the contrary must affirmatively show the fact.

.....
The evidence shows that the deceased sought, in his lifetime, to become a citizen of the Cherokee Nation, took all the steps he supposed necessary therefor, considered himself a citizen, and that the Cherokee Nation in his lifetime recognized him as a citizen and still asserts his citizenship. Held, that, under those circumstances, it must be adjudged that he was a citizen by adoption, and consequently that the jurisdiction over the offence charged is, by the laws of the United States and treaties with the Cherokee Nation, vested in the courts of that Nation.

In the case of Daniel Red Bird, et al, vs. the United States the Supreme Court said:

The roll of 1860, made by the Cherokees, was a census roll, and its confirmation was not intended to create any rights which citizens of the Cherokee Nation had not before enjoyed, but merely to furnish the basis for making up the roll of citizens. Section 21 was in reality a statement that no previous act of Congress was intended to confirm any other roll of the Cherokee Nation.

.....
Section 31 of the Act of July 1, 1902, says that no person whose name does not appear on the roll made by the Commission to the Five Civilized Tribes, "shall be entitled to in any manner participate in the distribution of the common property of the Cherokee tribe, and those whose names appear thereon shall participate in the manner set forth in this act." In other words, the roll must be made up of citizens who under the laws of the Cherokee Nation were entitled to participation in the distribution of the common property of the Cherokee tribes.

The concluding words of section 21, "with such intermarried white persons as may be entitled to citizenship under Cherokee laws," emphatically indicates that Congress had the Indian citizen in mind in all that went before and limited enrollment of white persons to such as might be entitled to citizenship under Cherokee laws.

From the foregoing quotations it is evident that the Supreme Court makes a distinction between citizens having political rights only and those having all rights, including the right to share in the distribution of the land and other property of the Cherokee Nation. This being true, it is evident that Congress did not intend that any person should be given the right to share in the property of the Cherokee Nation simply because his name was on some roll of that nation that has been confirmed by Congressional action unless it is there as a full citizen and not as a citizen with political rights only.

The Office is of the opinion that the persons whose names appear in the record enclosed are not entitled to enrollment as citizens by intermarriage of the Cherokee Nation, and the approval of the Commissioner's adverse decision is recommended.

Very respectfully,

C. F. Larrabee,
Acting Commissioner.

WASHINGTON.

February 20, 1907.

Commissioner to the Five Civilized Tribes,
Muskogee, Indian Territory.

Sir:

On February 14, 1907 (Land 12493), the Indian Office transmitted your report dated January 10, 1907, in the matter of the applications for the enrollment of Frank Howard and seventy-two others as citizens by intermarriage of the Cherokee Nation, together with your decision, adverse to said applicants.

The Indian Office concurs in your recommendation. A copy of its letter is inclosed.

It appears that the names of said persons appear upon the Cherokee authenticated roll of 1860 and that they possess no right to enrollment as citizens of the Cherokee Nation other than by intermarriage, and that no one of said persons claims to have been married to a citizen by blood of the Cherokee Nation prior to November 1, 1875.

In view of the decision of the Supreme Court of the United States dated November 3, 1906, in the case of Daniel Red Bird et al. vs. the United States, it is considered that your deci-

tion, adverse to these persons, is correct, and it is hereby affirmed.

The papers in the case and a carbon copy hereof have been sent to the Indian Office.

Respectfully,

Thos Ryan.

1896 1181-1187 Thomas Hendricks.

The wife of Thomas Hendricks appears on the 1890 authenticated roll and the census roll of 1896, and he makes satisfactory proof of marriage to one Maud Stanley a non-citizen on the 11th of January, 1899. He avers that as a result of said marriage, he has one child, Robert R. one year of age, whose name does not appear on the census roll of 1896 having been born since said roll was compiled, but he presents satisfactory proof of ~~his~~ birth as to said child. The said Thomas Hendricks and Robert R. being duly identified and satisfactory proof of ~~their~~ their residence having been made, they will be listed for enrollment as Cherokee citizens by blood. The applicant applies for the enrollment of his wife Maud, a non-citizen. The testimony shows that he was married to her in 1899, too late for her to acquire any rights as an inter-married citizen, consequently his application for his wife will be refused and she will be rejected.

Chas. von Weiss, being sworn states that as stenographer to the Commission to the Five Civilized Tribes he reported in full all the proceedings in the above cause and that the foregoing is a full, true and correct transcript of his stenographic notes therein.
